

Heat Pump Solutions

Ruud Achiever Series®

Model UPNE
13 SEER

*There are
some things
in life
you can always
rely on.*

- High efficiency for low-cost cooling – up to 14 SEER in certain matched systems
- Heating efficiencies up to 9.10 HSPF
- Broad range of cooling capacities from 18,400 to 58,000 BTU/H
- The quietest and most dependable scroll compressor made

Ruud is one of them.

Quality That Endures

The Ruud Achiever 13 SEER heat pump combines money-saving efficiency, whisper-quiet operation, environmental-friendliness and superb reliability to bring you total peace of mind in home comfort – year after year. Some heat pump systems cost more, some promise more – but nothing performs more reliably. It's that simple.

Rely On
RUUD™

A Look Inside

Ruud Achiever Series Model UPNE 13 SEER Heat Pump

There are some
things in life
you can always
rely on...

Features & Benefits:

- 1. Durable Cabinet.** Our galvanized steel cabinet protects your Ruud unit from the elements, helping reduce maintenance expense.
- 2. Serviceability.** Service time and expense are kept to an absolute minimum. The removal of one panel provides your technician easy access to all internal components.
- 3. Low Corrosion. Low Sound.** A special base pan elevates the unit off the pad and away from corrosive condensation. More quiet performance and lower vibration levels also result.
- 4. Fan-tastic.** Our motor mount prevents damage to your fan motor, extending its service life.
- 5. Wrap-Around Coil.** High-quality copper tubing and corrosion-resistant aluminum fins provide better airflow, improved efficiency, and lower operating costs.
- 6. Compressor Protection.** If your refrigerant level is ever too high or low, on-board safeguards protect your compressor from damage.
- 8. Heart & Scroll.** The heart of your heat pump unit is the compressor. That's why every Ruud unit features a Copeland® Scroll® Compressor – widely recognized as the industry standard for performance and durability.

Limited Warranty Information

Ruud supports its equipment with strong warranties and reliable, professional service. The UPNE A-Series has an 8-year limited compressor warranty. The UPNE B-Series has a 7-year limited compressor warranty. The indoor coil and outdoor condenser coil are backed by a five-year limited warranty against leaks caused by factory defects. All other parts also have a five-year limited warranty.

Protection You Can Count On

While your Ruud equipment is incredibly reliable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus™ extended service protection. Then you can relax and enjoy the comfort of your Ruud home comfort system – without worrying about the cost of parts or labor for unexpected repairs. And when Protection Plus is purchased in conjunction with your dealer's maintenance program, you can enjoy the peace of mind that your equipment will be both maintained and repaired – as needed and without additional expense. Ask your dealer about the variety of Protection Plus plans now available. For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

Kwik Comfort Financing

Ask your Ruud dealer about *Kwik Comfort Financing*, the easy and convenient way to finance everything associated with your Ruud equipment – your original equipment, all subsequent service, Protection Plus™ extended service protection, and even the comfort options you might choose to add later.
